

**CALL FOR ARTISTS:  
Open Studio at  
NIKA Project Space Dubai**

**Applications open  
until May 10**

This summer, NIKA Project Space transforms into an open studio, offering two UAE-based artists the opportunity to develop new work within a gallery setting. While most art spaces close for the summer, we are opening our doors for experimentation, dialogue, and public engagement. The final works will be presented in September at NIKA Project Space.

- Application Deadline: May 10, 2025, 23:59 (UAE Time)
- Residency Dates: May 26 – August 24, 2025
- Final Exhibition: Opening on September 10, 2025

Two selected artists will be provided with a dedicated studio inside the gallery and access to up to 3,000 AED in production support. Exhibition costs will be covered. NIKA Project Space does not cover travel and accommodation expenses, as the residency is intended for UAE-based artists.

The artists must be present in the space for at least 39 days during the residency. There is no specific theme, but alignment with the gallery's artistic direction will be considered a plus.

To apply, please send your application to [applications@nika-projects.com](mailto:applications@nika-projects.com). Your submission should contain:

- Portfolio PDF
- CV and a short bio
- A brief letter of interest with a project description of their planned work during the residency

The selected artists will be chosen by a jury of professionals: Nadine Khoury (curator), Latifa Saeed (artist), and Sarah Abou Khalil (collector).

We look forward to your applications!
